# WHAT IS INDIA'S KIDS?

In conjunction with the Church in India we have developed a program to reach the children.

In order for them to attend public school, children need to purchase uniforms and pay monthly tuition fees. Needless to say, they very poor are often left out.

This is where you come in!

For only \$15.00 per month you can sponsor a child. This money will pay for the tuition, provide a uniform and give the child several nutritious meals per week.

The children are selected by the church in India. They primarily come from very poor families. Over the duration of the program many of the families have come to Christ and lives have dramatically changed!

Without question, this program is the most effective opportunity for the church in India to reach people without significant conflict. The church is often viewed suspiciously, but helping the poor children has opened the doors wide with awesome results!

## HOW MUCH OF IT GOES TO THE KIDS?

100% of the funds go to support the children. All administrative costs are covered by the Foursquare Gospel Church of Canada.
